During the week of October 18, our halls abounded with hundreds of spirited people. Monday was Blue and Gold Day. The Alfred Hitchcock thriller **Family Plot** *played in the auditorium that night. Tuesday was Reverse Gender Day. Many people enjoyed a day of dressing up in their mother's (or father's) clothes. Wednesday was 60's Day. The entire school journeyed back two decades and enjoyed a day of peace, love, and flowers. Grass skirts and loud shirts overran the school on Thursday, which was Hawaiian Tourist Day. Friday was Mix-n- Match Day. That night, our fearless Colts finished off the week with a rousing win over the Reading Red Knights.*

Homecoming

As hundreds of blue, gold and white balloons floated into the cold night, Stacie Shive was announced as the 1982 Homecoming Queen. Previously, the seven girls on the Court took the traditional ride around the football field in Corvettes. The ensuing win over the Reading Red Knights heightened everyone's excitement. All eagerly awaited the dance the following evening.

The dance was held in the gym Saturday night, under a canopy of light blue and white streamers. During the course of the evening, each of the girls was again recognized, and Stacie was officially crowned. The music was provided by "Phoenix."

Field Hockey

The varsity field hockey team, led by senior captains Pam Lengeman and Elaine Guldner while dominated by talented juniors, had an unusual season. Their coach, Doris Straw, frequently commented, "Our only consistency was our inconsistency." The girls proved that theory with a record of 5-4-3. Beginning the year with a 7-0 triumph over Northern, they then lost the next two games by a single goal. One highlight of the season was the first home night game against Cumberland Valley, which ended in a 2-2 tie. The climax of the Colts' fall season was their 15-0 victory over Harrisburg. Two scoring records were set in that match—most points in a game, 15, and high scorer in a game, Caron Heilman, with eight goals. Heilman, Kim Minnix and Aretha Carr were named to the Mid-Penn All-Star Team, while the Colts finished third in the new league.

Practice started in early August for a young tennis squad made up mainly of sophomores and freshman. Team captains, Betsy Olson and Sarah Achenbach, led the team to a commendable 6-6 season. Laura McCarron was the team's only returning letterman. Laura, along with Becky Nurick, represented Cedar Cliff at District III playoffs.

Coach Oldham sums up the season by saying, "Considering the team's relative youth and inexperience, the girls did much better than was anticipated." The team and Coach Oldham are looking forward to an impressive season next year.

The golf team was led by seniors Brad Albright, Mike Koehler, and junior Neal Megonnell to a winning season. Freshman Dave Albright demonstrated excellent talent. Brad Albright represented Cedar Cliff in District competition at Hershey.

Captain Albright commented, "This season proved to be a very satisfying one. Mr. Howell's duty to field the best players for a match was a difficult one due to the number of talented members."

The all-senior Girls' Cross Country team had a difficult season this year, losing meets by only a small margin of points. The team did have two impressive wins over the Lower Dauphin and Red Land squads in exciting matches this fall.

Cheerleaders And Spiritloggers

The 1982-83 cheerleading squads began preparing for their "season" early in July. Under captains Linda Burbank and Dianne Conley, the Cheerleaders held summer practices and attended the Pocono Sports Camp for a week in early August. Among the various awards received that week, the Varsity squad returned home with the title of the "Award of Excellence," given to the most outstanding squad. The Junior Varsity was also named runner-up in that competition.

This year the tradition of spiritloggers continues. This spirited group of senior guys is present at most home functions and can be seen energetically cheering our teams on!

White Christmas Formal

The White Christmas Formal was held on December 30th at the Penn Harris Motor Inn in Camp Hill. This year's formal was the beginning of a new tradition. Each girl was given a box containing a long-stemmed rose. Four of the five roses were red; the queen received a white one.

Amy Dolan, after opening the box and finding a white rose, broke the silence when she exclaimed, "Oh, my Lord!" Amy was crowned by last year's queen, Kelly McCreary. The queen and her court spent the evening dancing and enjoying the music of **Defiance.**

Girl's Varsity Basketball

Cedar Cliff opponents found themselves facing a tough girls' basketball team this year. Close scores and lots of action were commonplace when this season's much-improved team ran onto the court. Starters for our team, under the direction of Coach Carrozza, were senior Susan Kocher, and underclassmen Sue Hoke, Kim Minnix, Cindy Freeland, and Theresa Young.

Coach Shelby Stephens, another graduate of Cedar Cliff, provided her outstanding gymnastic skills to guide the team to success.

Nikki,
Im so glad that we have become such good friends the past few years. I only wish we could have become closer in different ways too. Your really a great looking super nice girl and I'll never forget you as long as I live. I'll never forget all those Spanish classes that I had to help you out. H. H. We had a lot of good times together and I hope you'll never forget them, I wont. Your really a very special person to me and I care for yo a lot. Good luck with everything you do. I hope I see you sometime next year! If your down at Ocean City Md. this summer stop in and see me at the fishing boat. Its at talbot street and the boat is called the wet whiskers. See ya later.

Love
Ted Zindren

Life is the scrapbook we cherish,
Brimming with joy and with tears,
Scraps of our memories, time fragments
Salvaged from all of our years.

Each page of our scrapbook is different,
Reflecting a moment we've known.
Yet together, they tell us the story:
How far we have come, how we've grown.

The story is changing, and we must move on,
To travel another direction.
Memories and friendship preserved here,
We will always regard with affection.

The chronicle of high school is ending—
Our future's a scrapbook we've yet to create-
Where time will record the notes of our lives,
Binding us into the pages of fate.

-Sharon E. Enterline

Dear Nikki;

There is so much I want to say. I know I'll never find just the right words to express the feelings I have for you. You mean so much to me! The times we have spent has helped me grow and learn and love. Your personality is one of glowing radiance and your laughter brightens up the darkest days. The times we spend together are treasured in my heart forever.

I could begin to name all the times and experiences we have experienced together, but we both know them and it would take me forever. You are one person I am really going to miss. I feel like time is just slipping by. You'll be gone and I'll have no one to be crazy with. I must say you have taught me how to let loose and take things with ease.

Nikki you are great! Please have a great summer, but you had better call me! If I don't see you over the summer I'm going to come looking for you. So you better watch out. I hope everything in college works out for the best. You better keep watch over your shoulder because I'm going to come check up on you!

Thanks, Nikki, for always listening to me. Just don't become to big for us little people back in dreaded high school. Well, I guess this is it. Nikki, my love and prays go with you always. Please be good and keep in touch!

Love,
Jamie

Secretaries

It is here that we take the time to recognize a select group from the staff of Cedar Cliff High School, our secretaries. For your efforts in aiding us in innumerable ways throughout the past four years, we thank you.

We, the 1983 Cedar Log staff, wish to express our thanks for the many times we demanded lists and pictures and general information, and you always came through. Ladies, your dedication and service on our behalf is neither unnoticed nor unappreciated.

To Our Teachers, A Big Thank-You From The Class Of '83!

We, the class of 1983, wish to express our sincere gratitude to the faculty.

We have learned a great deal in the past four years. New worlds have been opened to us as a result of your careful guidance. You have prepared us for life, and you have given us insight as to what we may aspire to do in the future.

We have great appreciation for your encouragement to us to thirst for knowledge, and for the way your knowledge has been passed on to us. The atmosphere that you have created and the educational tools that you have so skillfully used have been great assets to our learning process.

Thank you for looking at us as individuals and for getting to know us for who we are. Thank you for coaching, directing, and guiding us to work as a team. Thank you for teaching us to value the glory of winning and to learn from the agony of defeat.

You have been our friends and many wonderful times have been spent with you. You have been there when we needed you. Yours is a friendship that we will cherish forever.

As we leave Cedar Cliff, each of us carries our own views and goals, but we all share one common bond - what we have learned from you. Only time will tell what we achieve in the future, but we owe much of what we have learned to you.

From every member of the Class of 1983, thank you.

Nikki,
You're one crazy girl. I think it's safe to say that you deserved to be called "most spirited." You're also a good friend. Thanks for being friendly all the time. Also thanks again for the lunch you gave me last summer. And I almost forgot about the whipped cream fight we had with me and what's her name. I'm counting on seeing you this summer, so you better not let me down. Good Luck with everything you ever do!

Nikki Jane,

To my funniest, silliest, weirdest comrade who provided my life with slumber parties and cake in my face. We had good times, honey and thanks for being with me as such a good friend. Maybe we'll get closer later in life like we used to be, but no matter what, I'll always love you. Be a good girl at college and have a great time this summer. I'm home a lot if you want to do something.

all the luck!

Love and Kisses,

Pam

Middle States Evaluation Committee

Cedar Cliff High School's accreditation with the Middle States Association of Colleges and Secondary Schools extends from 1974 to December 31, 1983. The process of reviewing the accreditation began in April of 1981 with the assignment of individual faculty members to major section committees and sub-committes. During the 1981-82 school year from September to June, a detailed self-evaluation of Cedar Cliff's programs, facilities, services and curriculum was undertaken. Hundreds of hours of meetings culminated in the completion of the Evaluative Criteria necessary to meet the standards established by the Commission on Secondary Schools. An evaluation committee of twenty-four educators, chaired by Mr. David E. Brooks, spent December 7, 8, and 9, 1982, reviewing the results of the self-evaluation, interviewing students and teachers, and evaluating the academic programs offered at our school. The committee will offer a written report on their findings to the school in March 1983, detailing their commendations. Cedar Cliff High School is confident that the committee's report will be favorable, and the recommendations offered will be carefully reviewed and implemented wherever possible to improve our school in the future. If the accreditation is granted, Cedar Cliff will again go through this process in 1992.

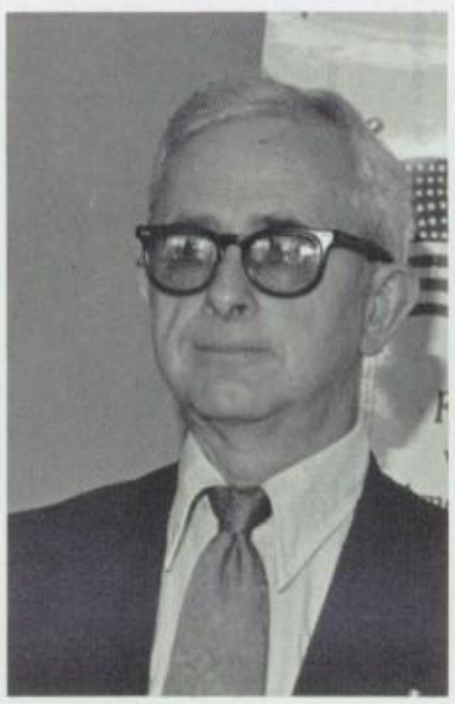
Last year marked the twenty-fourth year of teaching for Mrs. Georgia Dobbs. During her stay, she was the Head of the Foreign Language Department and taught Spanish, Latin, English, and French. For her retirement she plans rest and travel.

Mr. Hess has taught for 18 years. Seven of those years were spent as District Head for the Drivers' Education Department. His Masters in Education was earned at the Indiana University of PA. For his retirement he plans to pursue certain hobbies and to spend time working out at the health club.

Mrs. Mary Long has been in the district for 20 years, with eight of them at Cedar Cliff. She had an active schedule here with four Latin levels. She received her degrees from New York University and Lock Haven State. Some of her retirement plans include baking bread and traveling.



Like Mrs. Dobbs, Mr. Wolfe has also been at Cedar Cliff since the original opening in 1959. While in CC, he has taught almost every branch of History. He received his Bachelor of Arts and Political Science degrees at the University of Virginia. Mr. Wolfe's plans are to relax and to travel.

Mrs. Eleanor P. Stanton retired after 42 years of teaching Art. She earned many honors while teaching at Cedar Cliff, including a state "Outstanding Art Educator" award last year. Mrs. Stanton plans to work on art projects of her own and hopes someday to stage a one-man show of oil paintings, acrylics and, her favorite, ceramics.

Mr. Donald B. Cornish, assistant principal at Cedar Cliff from September 1982 to January 1983, was formerly the assistant principal at Allen Middle School and at New Cumberland Junior High. Mr. Cornish was a Social Studies teacher prior to his administrative experience. This year marked 32 years in education for Mr. Cornish. He plans to travel, spend time with his grandchildren, and continue in his church work.

HELLO DOLLY

Two very talented casts and quick and lively performances with show-stopping numbers set this year's production of "Hello, Dolly!" apart from past years. The double cast and skillful chorus thrilled and delighted audiences, which packed the auditorium in record numbers.

Sharing roles were Chris Conard and Sarah Achenbach, Dolly; Scott Atkinson and Jim Bankes, Horace; Gretchen Schaffer and Margaret Gonglewski, Mrs. Molloy; Tom Neely and Mike Burke, Cornelius; Karen Click and Amelia Cone, Minnie Fay; Ed Hammond and Pat Fabian, Barnaby; Janice Click and Kim Strite, Ermengarde; Jeremy Spaulding and Rich Campbell, Ambrose.

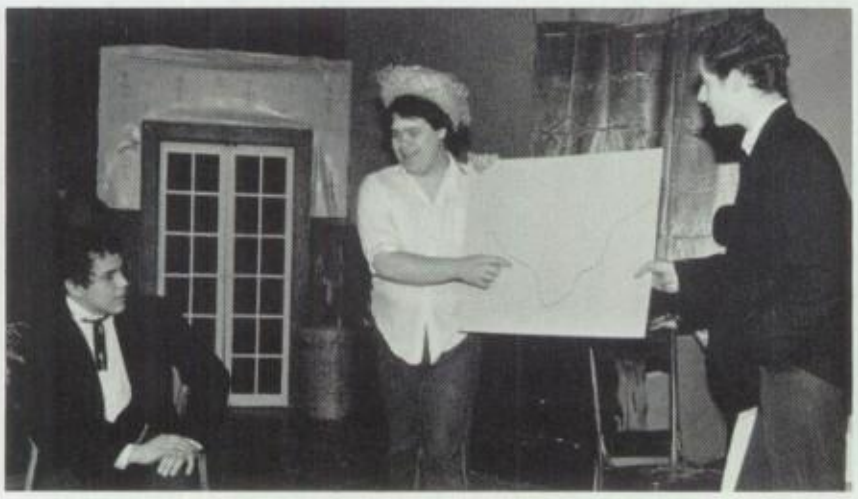
Mr. David Deitz, Mr. Richard Wilson, Mr. Doug Williams, and Mrs. Lillian Juditz expertly directed the cast in what has proven to be one of Cedar Cliff's best musicals yet. The show was performed March 17 - 19, 1983.

Repertory Theater

During the month of February, the Repertory Theater was busy putting on plays free of charge to the community. The plays included **Two Fools Who Gained a Measure of Wisdom,** *directed by Diana Resch;* **Sociability,** *directed by Rob Altenburg and Kip Porter; and* **Chairs,** *a special production, directed by Margaret Gonglewski, and written by the students who attended The Governor's School in 1982.*

Jr. Class Play

On May 6 and 7 the curtains opened as the Junior Class presented **My Three Angels,** *written by Sam and Bella Spewack. Students were led by Mrs. Juditz, faculty director; Sherry Eichelberger, student director; and Alison Altenburg, student producer. The cast consisted of many talented students including Margaret Gonglewski, Jim Zoll, Chris Toddes, and Tim Kopp. All the participants and their hard work certainly shone through in this production.*



Mid-Penn Conference Division I Champions

The 1983 softball squad defeated all opposition in the new Mid-Penn Conference to become the first softball champions in Cedar Cliff history. The Colts ended the regular season without a loss - - - a perfect record of sixteen wins.

The team, composed mainly of underclassmen, was led by Coach Wayne Howell. The 3 returning seniors on the team were captains Teri Vokes, Susan Kocher, and Patty Knadler.

Success in District III play-offs ended for the girls in the semi-finals leaving them one game out of the state tournament, though fine performances were turned in by the senior captains as well as juniors Cindy Freeland and Caron Heilman, sophomore Liz Knox, and freshmen Diane Strawser and Gladys Evans. The pitcher-catcher team of Kocher and Freeland was named to the First Team Conference All-Stars.

Front Row: Diane Strawser, Bernadette Bloor, Sherry Eckenrode, Ashleigh Kuethe. Second Row: Kim Moyer, Gladys Evans, Mary Kollas, Cindy Freeland, Caron Heilman. Last Row: Steve Kocher, asst. coach, Liz Knox, Susan Kocher, Patty Knadler, Teri Vokes, Wayne Howell, head coach.

With few returning lettermen, the 1982-83 Girls' Track team faced difficulty this year, but a core of strong underclassmen show great potential for a league contention.

A couple of standout performances were made by senior Aretha Carr, who placed fifth in the triple jump at District III Competition, and by Kim Minnix, who placed second in the javelin contest. Both Aretha and Kim went on to compete at the state meet held at Shippensburg.

Despite the difficulties faced this year, all are anticipating a much better season next year.

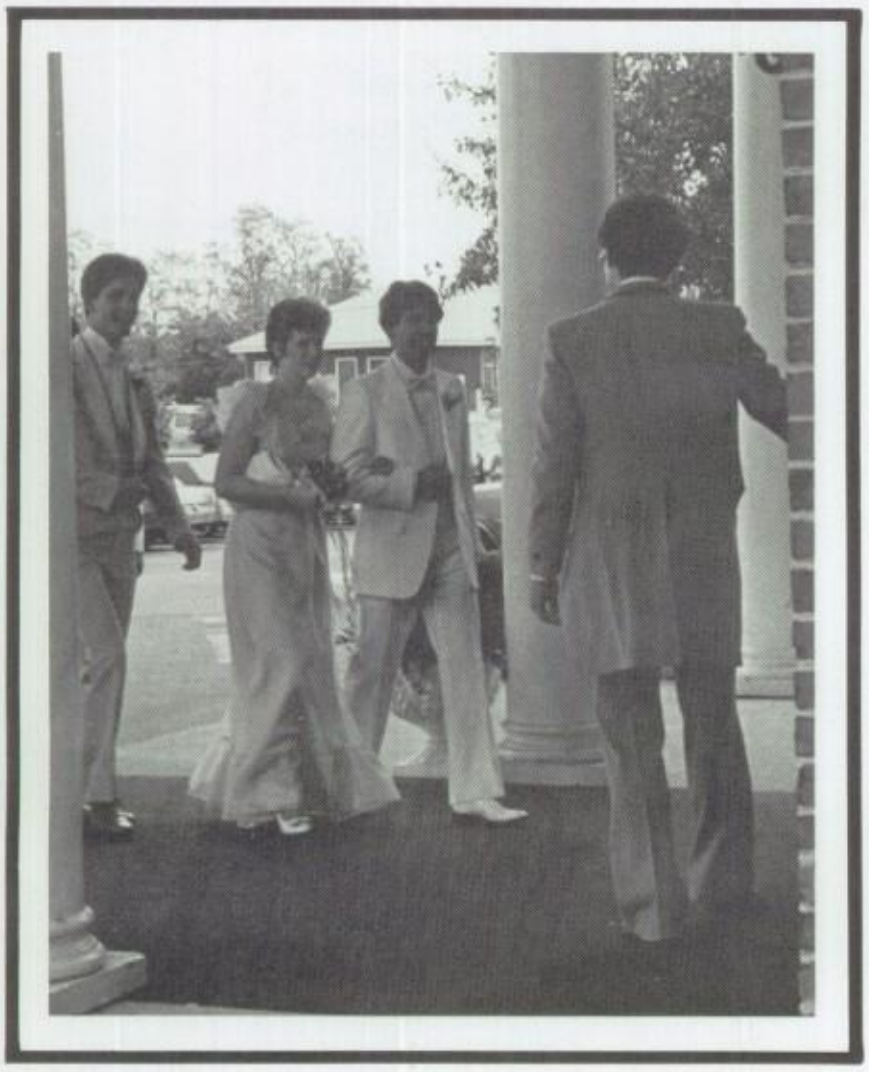
Cedar Cliff Jr.-Sr. Prom
May 28th
at "The Embers"
couples $18.00

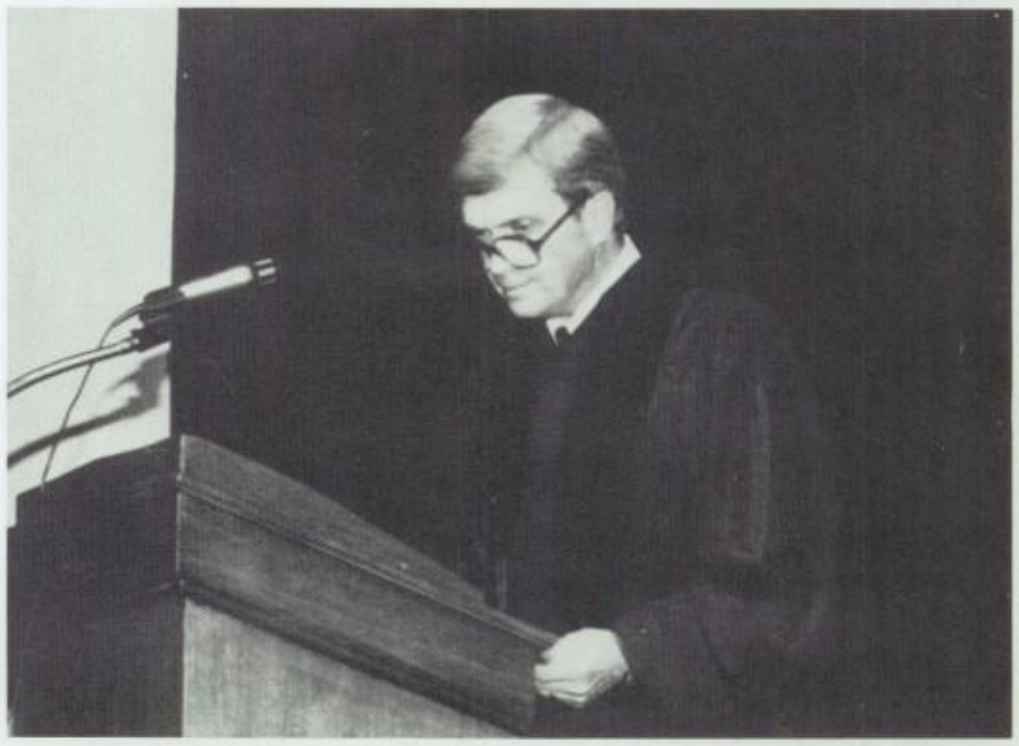


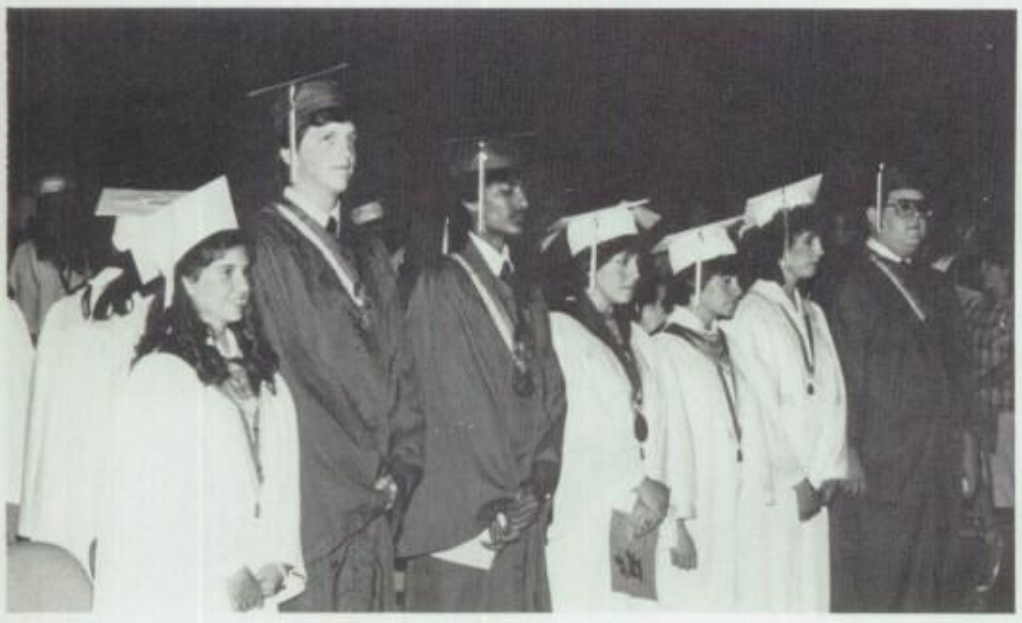
On May 28, a large turnout of students attended the 1983 Junior-Senior Prom at the Embers. The young couples enjoyed the buffet-style dinner while listening and dancing to music supplied by the Webz. Many pleasant memories made this year's prom a huge success.

On June 5, 1983, the twenty-fourth graduating class attended its baccalaureate services at 7:30 p.m. The service is meaningful in itself, but even more so when the students take part as they did this year. The Chamber singers, under the direction of David Deitz, performed numerous selections, as well as some solos that were done by senior musicians.

The Reverend Mike Sanford, father of a graduating student, performed the ceremony.

Several students were nominated by the students and faculty to speak at this prestigious event. This aspect of the ceremony made the night all the more meaningful to the Class of 1983.





Graduation '83

Mr. Walter C. Witmer, Principal.

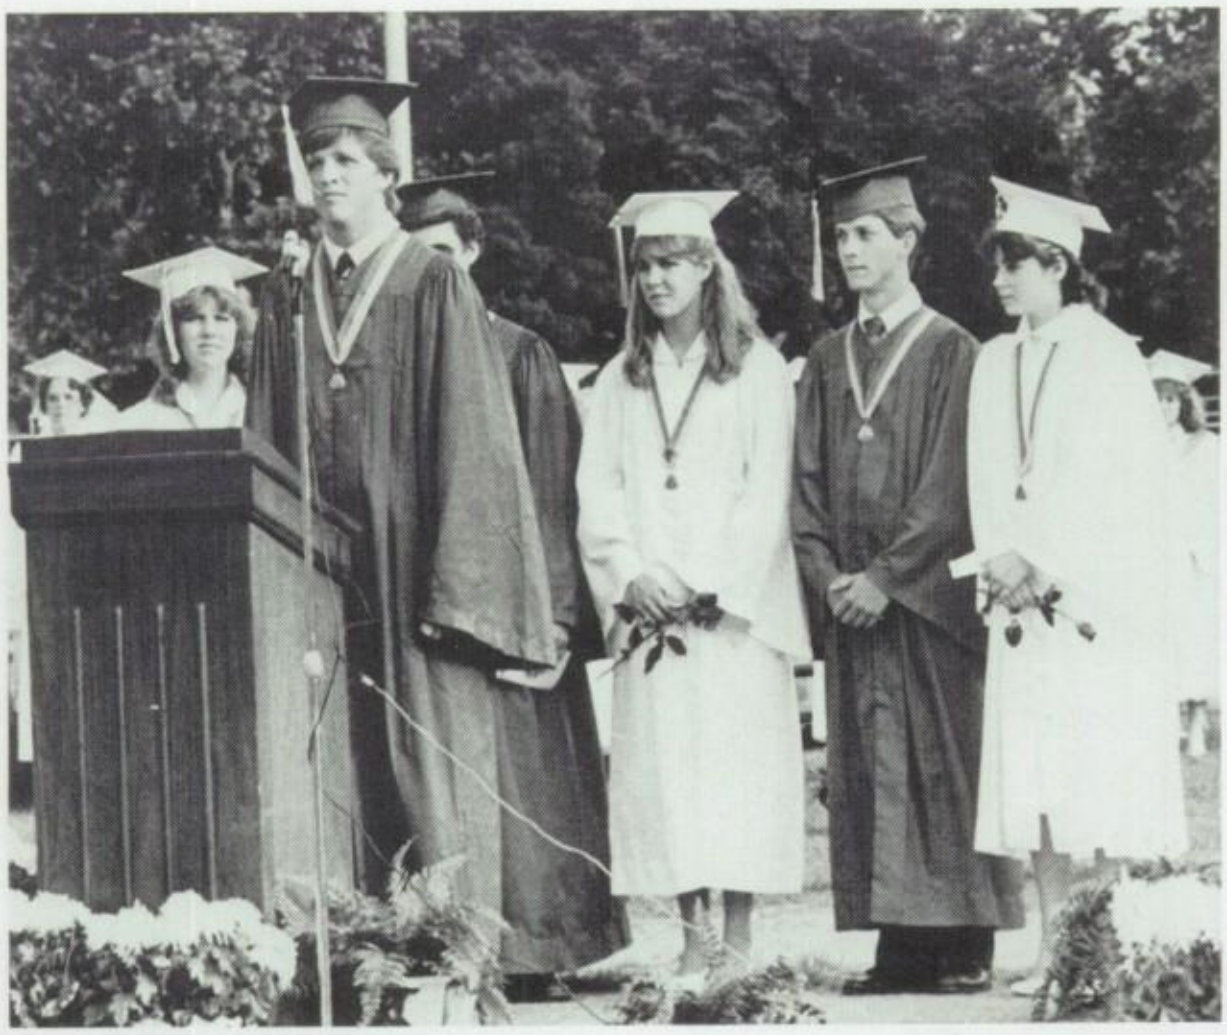
The graduating class of 1983 was inspired by a series of moving speeches made by our principal, Mr. Walter C. Witmer, and by several student speakers including Dianne Conley, who gave the Salutatory Address; Cathy Carroll, who was the faculty-selected Honor Speaker; Thomas Sanford, also an Honor Speaker, and our class Valedictorian, Anil Kumar Goyal.

Above: Anil Kumar Goyal, Valedictorian.

Right: Dianne Conley, Salutatorian



The class officers of the graduating class of 1983 were Thomas Sanford, President; Nancy Adjan and Adam Hench, Vice Presidents; Maureen Rodgers, Secretary, and Laura Crawford, Treasurer.

The class colors of the 1983 graduating class were maroon and gray. The class flowers were red roses and baby's breath. The class motto was, "Live for today, dream of tomorrow."

The Commencement Theme of the 1983 graduating class, was these words by Jawaharlal Nehru:

"Nothing in the world that is alive remains unchanging. All nature changes from day to day and minute to minute. Fresh water runs on, and if you stop it, it becomes stagnant. So also it is with the life of man and the life of a nation."

1983 SPIRIT WEEK

The week of April 25 -29, unlike any other week out of the year, was the infamous Spirit Week. The week's activities included

*Monday-M*A*S*H* Day*
Tuesday-Nerd Day
Wednesday- Anything Goes Day
Thursday-Pajama and Sweatpants Day
Friday-Head-To-The-Beach Day

The celebrations, which included a pie - eating contest and a movie, lasted into after-school hours. Tom Tezak, Pat Fabian, George Smith, Rob Duguay, Dave Bates, and Tim Holmes were all in the spotlight when they were named to the 1983 King's Court. Pat Fabian took the highest honor when he was crowned King at midnight Friday during the Dance Marathon. Once again, the activities of Spirit Week proved to be memorable.

Do NIKKI - my bestest yearbook buddy!
Well look at what we've done! Pretty great yearbook eh? I think our Pages are best but I guess I'm slightly partial! Anyhow, we've had Billions of great times together - in Y.B. + out of Y.B. Its been a lot of fun! When Yearbook comes to my mind, the thought of "Daddy" follows closely behind! I'll never forget all the laughs we had on account of good old "Dad"! But besides those good times we've had many others. For instance, remember Roger + the birdies; How about George + his car keys; by the way have you got the time? (Haha) I know we will be having many, many more memorable experiences from this years beach + bar adventures! You've always been a very special friend to me + I know we will always be! Can you believe we'll be graduating in exactly 1 week and 5 hours? It'll be great - A day I've been looking forward to for a long time! - But its going to be so sad. I know I'll probably cry all over you! But, we'll just have to think of happy things like the shore!! I'm going to miss you so much next year - we'll have to keep in close touch - you can come visit me at Pitt anytime - maybe we can even arrange to visit Old Wvll to visit you know who! (wow, that rhymed!!) Anyhow I love ya! And, I'm so glad were friends. Love always,
Cheryl
